# *I Will Remember You*

© Debbie Maples 2007

## **Verse One**

To know you was to love you  
I long to hold you in my arms  
Just one more time  
And to tell you that I miss you  
To talk about and laugh about the good old times

## **Chorus**

You're no longer in my arms  
You're in my heart forever  
You would still be in my life  
If love could hold you  
But I will keep you in my thoughts  
And in my dreams forever  
I will remember you, I will remember you  
For a lifetime

## **Verse Two**

To know you was a privilege  
And there are many things  
I'll never have the chance to say  
But I hope you know  
How very much I love you  
If only I had told you  
Each and every day
